

REFERRAL NETWORK REWARDS

Being part of Bullet Trap USA's growing Referral Network is easy! Join now to begin receiving rewards with no start up fees!

As a Referral Network Member we will provide you with a package containing our brochures as well as a stand to display them in. Each brochure will have your name, address and phone number (or information you provide us) listed on the back. Customers who call us will be asked "how did you hear about us?" If they mention the brochure with your name on it and make a purchase, you will be qualified for a Referral Reward.

It will be your responsibility to display our brochures in a location where customers will be able to see and access them. Any questions about our products should be directed to our trained Bullet Trap associates via email or telephone. They will be responsible for making the sale.

The Referral Reward to you will be 5% of all standard Bullet Traps manufactured directly by Bullet Trap USA, not including taxes, shipping cost and installation fees if any. Payment will be made by check within 30 days after delivery and full payment has been received.

If you agree with the above and would like to be part of our Referral Network, please fill out the information below and fax or e-mail back to us (Fax – 860-675-1579, email – info@bullettrapusa.com). A marketing kit will be mailed to you shortly. Thank you for spreading the word about Bullet Trap USA!
